

## GENERAL REQUIREMENTS

for participation in the international scientific conference in a hybrid format “**Science, technology and innovation technologies in the period of the Revival of new epoch of the powerful state**” dedicated to Science Day.

1. Those wishing to take part in the conference is invited to submit abstracts of the report and annotations to it.

2. Each author can submit only one abstract and there should be no more than two co-authors. The materials submitted for participation in the conference must correspond to the stated topic, contain the results of research work and must not have been published previously.

3. Abstracts must be prepared in one of the working languages of the conference, and abstracts in the other two.

3.1. Translations of annotations of abstracts of foreign participants into Turkmen and Russian/English are carried out by the Organizing Committee.

3.2. Translations of local participants' annotations into English and Russian must be certified by the relevant departments of higher educational institutions or translation organizations.

4. Abstracts and annotations of **local participants** must first be reviewed by their institution and then submitted to the Academy of Sciences of Turkmenistan with an official letter signed by the institution's head. The electronic versions of the abstract and annotation must be attached.

5. The Organizing Committee does not edit submitted abstracts, and authors are personally responsible for the scientific content.

6. Foreign participants must submit the full text of their speech by May 10, 2026 (presentation duration: 5–10 minutes, length: 5–6 pages).

7. It is necessary to fill out the participant registration form (regular font, Times New Roman, 12 pt):
